

## QP01 QUALITY POLICY

Issue 03 / August 2024

---

Amber Valley Stone is committed to providing customer satisfaction by offering a cost effective solution for the manufacture and supply of Semi-Dry Cast, Wet Cast, GRC and Precast products.

We continually strive to improve our service by working closely with both customers and suppliers to ensure that products are processed on time and right first time.

We operate a quality management system that aims to meet the requirements of ISO9001:2015.

We constantly seek opportunities to eliminate potential problems and to improve the business processes.

All staff are aware of the processes operating within the company and are encouraged to provide input to the development and improvement of quality management system.

The Management of the company establish quality objectives which support the implementation of this quality policy.

These quality objectives are regularly reviewed at Management review meetings and revised as necessary with the aim of continual improvement.
